

McGuire's Money

Students can earn "money" for being good students.

\$1 per day for bringing S.T.A.R. book

\$1 per day for keeping name out of the behavior book

\$1 per page of homework completed in packet.

If all of the above requirements are met each day, students can earn \$15 each week.

The Friday movie in the gym costs \$3.00 to attend.

The classroom store will be open before the movie so students can purchase snacks with their "money".

Each month the classroom store will be open for students who wish to save their money to spend on fancy pencils, toys, etc.
